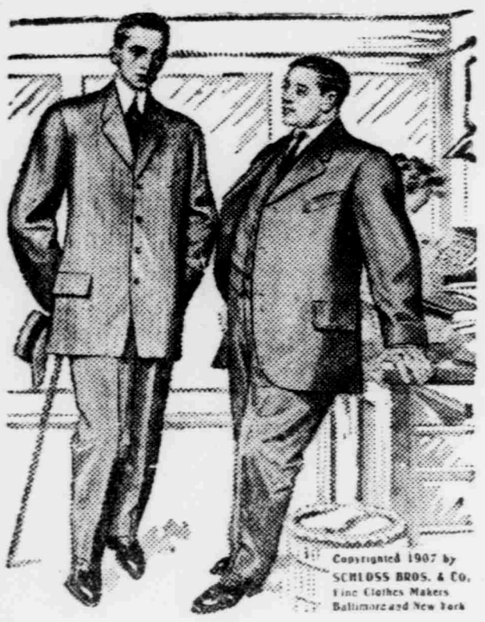
Goods of Quality

These are the only kind kept in our store. We long ago discovered that it pays the purchaser to buy the best grade merchandise, and we are always ready to fill your wants.



DRY GOODS AND CLOTHING

This department contains an extensive line of the best goods the northern markets afford. This season's goods and not last year's, will be found on our counters for your inspection. In selecting your suit for this fall, do not overlook the fact that the best suit you can afford is the cheapest in the end. Our ready-made clothing is tailored especially for our house.

Ladies will find our dress goods department to be replete with attractive patterns in all the latest fabrics. Silks, Panamas, voiles and flannels for dress goods.

GROCERIES AND SUPPLIES.

Our grocery department is headquarters for the supplies you need in this line. We buy in large quantities, of the best grade goods and it is a pleasure to give you the advantage of the price we are able to make.

FURNITURE.

Our big stock contains everything for furnishing the household. Remember this when you are ready to buy. prices are reasonable. The goods
